

Lithography Tool Sales Veteran, John Pong, Joined Nanonex as Director of Sales

July 15, 2004

Princeton, New Jersey, July 15, 2004, Nanonex Co., the leading provider in nanoimprint solution, has continuously strengthened its sales with adding John Pong as a Director of Sales for the West regions. Prior to Nanonex, John was the North America Sales Manager for Leica Microsystems – an electron beam lithography manufacturer for 12 years ('91-'03) and a Sales Manager for Cambridge Instruments for 9 years.
